MEADE

Originally carved out of the Turkey Track Ranch in 1927, Meade State Park rests in the High Plains of southwest Kansas, just west of the Red Hills, 8 miles south and 5 miles west of Meade on Highway 23. The state park and wildlife area comprise 803 acres of land and water.

CAMPING

Overnight camping, with or without electrical hookups, is available. The lake is surrounded by many trees that provide shade for camping or picnicking.

FISHING

In the 80-acre lake, bluegill, channel cat, and largemouth bass are plentiful and provide excellent opportunities for the angler. A boat dock is available for the unloading of boats.

No skiing or pleasure boating is allowed, and all boats must be operated at no-wake speeds.

A swimming beach area has been marked off.

HUNTING

While small, the 360-acre wildlife area offers good opportunities for dove and quail hunters. Deer, turkey, rabbit, and some waterfowl also inhabit the area and offer hunters an occasional mixed bag. Deer may only be hunted with bow or muzzleloading firearms.

OTHER OPPORTUNITIES

For nature lovers who like to identify various different trees, grasses, flowers, and birds, a nature trail has been marked at the northwest corner of the lake.

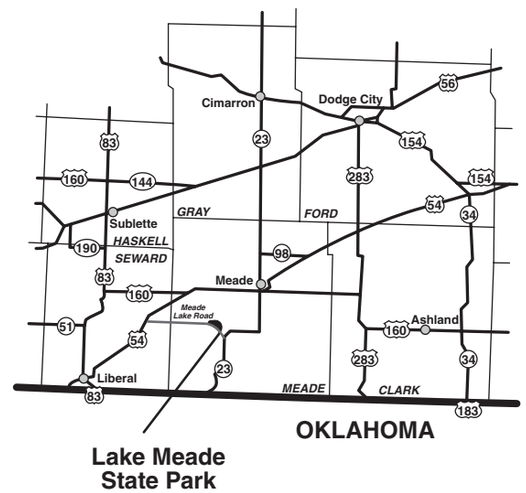
Meade State Park is happy to have group gatherings at the park. Information can be obtained at the park office.

THINGS TO REMEMBER

Steel shot only for waterfowl.

No pleasure boating. Boats must be operated at no-wake speeds.

Please check posted notices for other rules and regulations at Meade State Park.



General Area Map

Equal opportunity to participate in and benefit from programs described herein is available to all individuals without regard to race, color, national origin, sex, religion, age or handicap. Complaints of discrimination should be sent to Office of the Secretary, Kansas Department of Wildlife and Parks, 1020 S Kansas Ave. Suite 200, Topeka, KS 66612-1327 05/07
