# **Ravensburg State Park**

Ravensburg State Park lies in a rocky steep-walled valley that was carved by Rauchtown Run. The park was named for the ravens that once roosted at the southern end of the park. At the other end of the park, the modern campground nestles under huge hemlocks and northern hardwoods. Several campsites along Rauchtown Run offer campers the soothing sound of a mountain stream. Each site has a picnic table and a fire ring. In addition, tent pads are provided at many sites. Only tents are permitted in this campground.

#### **Pets**

Pets are permitted at all campsites in this campground. The guidelines for pets are posted at the park office and campground bulletin board.

Pets are prohibited in swimming areas and all overnight areas, except the campgrounds involved in the pet program. Guide dogs or other dogs that assist people with disabilities and are controlled by the use of a harness or other restraint are not considered pets.

Handwashing and dishwashing are permitted only where appropriate facilities are available. Handwashing and dishwashing are prohibited at water spigots, hand pumps, springs, lakes and streams.

# **Hunting and Firearms**

Firearms and archery equipment used for hunting may be uncased and ready for use only in authorized hunting areas during hunting seasons. In areas not open to hunting or during non-hunting seasons, firearms and archery equipment shall be kept in the owner's car, trailer or leased campsite. The only

exception is that law enforcement officers and individuals with a valid *Pennsylvania License to Carry Firearms* may carry said firearm concealed on their person while they are within the park.

Feeding wildlife is prohibited. When animals become dependent on humans for food, this brings animals and humans into close contact which can lead to potentially dangerous situations. Human food is often of little nutritional value to animals and can make animals sick and unhealthy.
