1. Do not untie or cut off the ropes on the teepees.
2. Do not write, draw on or deface the teepee skin (inside or out).
3. Remember that teepee skins are canvas. People in the next teepee may hear anything you say. Please keep music and noise to a minimum.
4. Please keep your bedding away from the fire and as close to the dew cloth as possible, otherwise the sparks may cause a fire.
5. The lining in the teepee performs several tasks. It keeps away drafts and dampness, keeps rain from dripping off the poles, increases ventilation and creates a perfect draft from the outside air to take the smoke up and out the hole.
6. There is a \$50 refundable damage deposit on all teepees. Any teepee found damaged will be reported and the guest will be charged accordingly.
7. Please do not leave belongings outside your teepee or RV. The sprinkler system comes on every morning.
8. Quiet time is 10PM until 7AM.
9. Tent camping is not permitted on Kah-Nee-Ta property.
10. Check out time for teepees is 11:30AM and for RV's is 1PM.
11. Dogs need to be on a leash and attended to.
12. Valuables should be locked in your vehicle.
13. Skateboarding is not permitted in the Village patio area.
