

Welcome to Moraine Park Campground. Remember that you are sharing this space with plants, animals, and other campers. Please read this information to enhance your enjoyment and to assist with preservation and protection of your national park.

Campsites	Checkout is 12:00 noon. Each campsite is equipped with a picnic table, fire grate, tent pad, and parking for 1 vehicle. Campsites are limited to 8 people and two tents or one tent and a wheeled camping unit. All tents must be placed on a tent pad and wheeled units	must be parked on asphalt. Respect the area by not trenching or putting nails in trees. Camping in Rocky Mountain National Park is limited to 7 nights total parkwide between June 1 - September 30.
Campfires	Fires are only allowed in the metal fire grates provided. Never leave fires or coals unattended. Fires must be extinguished completely before leaving the campsite or retiring for the	evening. Gathering of firewood and fire-starting materials is prohibited. Firewood is available during the summer months for a fee.
Food Storage & Wildlife	Do not attract wildlife! Keep a clean camp. This is Bear Country. Deer, elk, raccoons, and skunks are also year-round residents. Store your food, pet food, cooking utensils, and scented items (toiletries, mosquito repellent, etc.) in your hard-sided vehicle or in the food storage boxes located in the	campground. These items should remain stored when not in use. Remember, it is illegal to feed or approach wildlife! Bird feeders of any type are not allowed. All plants, animals, artifacts, and other natural resources are protected by law in national parks.
Hazard Trees	Rocky Mountain National Park is just one relatively small area across the western U.S. and Canada where trees are dying from a native pine beetle epidemic. Because beetles are affecting trees over an enormous area, the park's priorities are focused on removing	hazard trees and hazard fuels to mitigate threats to life and property. Many dead trees exist and can be a hazard when traveling or camping in the forest. Be aware of your surroundings, especially on windy days. Safety is your responsibility!
Sanitation	Service sinks are available at comfort stations for washing dishes. If dishes are washed at your site, the waste/gray water must be disposed of in service sinks. Sewage and wastewater tanks	from trailers and recreational vehicles must be emptied at the dump station. There are no shower or laundry facilities in the park. Portable showers are prohibited.
Vehicles and Bicycles	The speed limit in the campground is 15 mph. Be sure to keep vehicles, motorcycles, bicycles, and trailers on	paved areas. Use of skateboards, rollerblades, scooters, and similar devices is prohibited.
Pets	When outside of a vehicle or camping unit, pets must be on leashes no longer than 6 feet. Please clean up after them. Pets are prohibited in all areas of Rocky Mountain National Park not accessible by motor vehicles,	including ALL trails or meadow areas. Store pet food in vehicle when not in use. Doggy daycare, boarding facilities and veterinary clinics are available in nearby communities.
Quiet Hours	Quiet hours are from 10:00 p.m. to 6:00 a.m. Generators may be run only between 7:30-10 a.m. and	4-8:30 p.m. Please be considerate of your fellow campers.
Recreation	Commercial horseback riding is available nearby. Hiking trails begin at or near the campground. Evening campfire programs are held in the	amphitheater during the summer months. Inquire at the ranger station for further information and schedules.
Fireworks, Firearms	The use of fireworks is prohibited in the park.	Check with the park about current firearms regulations, (970)586-1206.
Emergencies	The park's emergency phone number is (970) 586-1399.	"911" can also be dialed from park phones free of charge.
